Introduction to Question Types

1 Sentence Completion

Sentence Completion:

Questions:

- 1) Read the following passage and complete the sentence that follows:

It is quite surprising to read the famous names and realize that many of the most well-known successful people in the world never actually finished university. Notable names like Richard Branson, William Shakespeare, Bill Gates and Steve Jobs are surprisingly on this list, along with celebrities from the entertainment industry include Ryan Gosling, Jennifer Lawrence and Leonardo DiCaprio.

Bill Gates and Steve Jobs are examples of...

- 2) Read the following passage and answer the question that follows:

By the year 2015, Warner Bros. had released many Batman movies. All of the actors who played Batman, with the exception of George Clooney were well liked in the role, but with every new director who was given the job of directing a Batman movie, the actor who played the lead role was changed, mainly because the company thought the actor was too old.

With the exception of George Clooney, why did Warner Bros. change the role of Batman for every director?

Warner changed _____, because even though _____.
